Members are also able to cross trade with one another through the network online trading portal. Opportunities to advertise on the chamber website or to publish press releases are available as well as other networks and forums developed for the benefit of Chamber Members.

Representation

As the independent "Voice of Local Business", the Chamber represents the views of the private sector at local, regional, national and European levels to influence government policies on issues that impact on business.

Networking

Chamber Networking

The Chamber networking events present a golden business opportunity for members to meet and develop business ideas in relaxed surroundings. Members have the opportunity to showcase their business and seek further enterprise.

The aim is for as many businesses as possible to attend so we encourage members to bring guests and referrals to enrich the experience.

There is a speaking opportunity at each event that must be booked in advance as well as structured networking to ensure each attendee meets everyone who attends.

Member Hosted Networking

These events are hosted by member companies. They give members an opportunity to showcase their premises and facilities whilst also promoting networking and business synergy.

Social Events

The Chamber provides a variety of social events ranging from the Annual Dinner to Gala evening events and activity based sporting events such as golf and go-kart racing. These events are an ideal opportunity for members to relax and enjoy themselves with colleagues or clients.

"Having moved from the Midlands to Chester, networking at the Chamber events has helped me meet like-minded business owners and professionals, develop good friendships and generate leads for new business. The networking events always give you an opportunity to share your business message and help other people find the business, resources or support they are looking for."
